Regarding American Recovery and Reinvestment Act (ARRA)**

Resolved, that the staff's draft approach and plan of action for the American Recovery and Reinvestment Act (ARRA) application contained in the Executive Director's memorandum, dated April 30, 2009, is approved, except that staff is directed to include both the Los Angeles-Anaheim and San Francisco-San Jose corridors in the Authority's application for ARRA funding, based on the Board's view that all conditions precedent to qualifying both corridors for ARRA funding can be satisfied in time to meet the September 2012 obligation deadline.
